About the College

Established in 1954, Vasant Kanya Mahavidyalayis situated within the premises of the Theosophical Society at Kamachha, Varanasi. Having been the *Karmabhumi* of none other than the great visionary, Dr. Annie Besant, it has a glorious past. Adopting the motto “Education as Service”, the college seeks to blend the principles of tradition and modernity. The college was accredited “A” by NAAC in its second cycle of accreditation. Admitted to the privileges of Banaras Hindu University, it has been able to carve a niche for itself among the topmost institutions of the country dedicated to women education. The college now runs Ph.D, Post-graduate and Undergraduate courses as well as Diploma courses sanctioned by UGC.

About the Webinar

The food environment around the world has got disrupted due to the current global pandemic of Coronavirus (COVID-19). Whole food system is muddled including day-to-day food supply mechanisms and disturbances in its various components have a long lasting impact not only on National policy level but also the individual level. As a nutrition community, we have extra responsibility to respond to the needs of the society which has been deeply impacted by the present crisis. Keeping this in view, there is an urgent need to develop our understanding in assessing the situation and provide some practical solutions as policy response to all major stakeholders.

This webinar will support how to prepare for and respond to COVID-19 like pandemics on nutritional front, a series of guidance briefs will be updated.
